

2025 ANNUAL REPORT

In 2025, Hope House was privileged to walk alongside many new moms and see them grow! Our moms got diplomas, enrolled kids in childcare, started college classes and made new friends. With each new milestone, we were there to provide support, encourage them and celebrate with them. We continue to provide our moms with resources they need, connect them with local agencies who can also provide, and host social activities so they can connect with one another and feel like they have a place to belong. As we continue to grow, we are incredibly thankful for so much support right here in our community. Our 2025 Banquet, “Growing a Legacy” was a night to remember as we celebrated the work that has already been done and where we are headed. We are thrilled to be growing a legacy of support and hope amongst teen moms in Southern Colorado, and so excited to help our moms as they build a life they love for themselves and their children.

Grace & Peace,

Amanda Kolman

Amanda Kolman, Executive Director

“From the moment Hope House came into our lives when my daughter was just a few months old, I found strength I didn’t know existed. They believed in my dream of being a nurse, offering unwavering support and guidance that has turned what once felt like an impossible dream into a realistic goal. Hope House isn’t just a place, it’s a big, warm family, filled with love and people who genuinely want to see you thrive in every aspect of life.”
